FOUNDERS

WAYNE KING: King is the co-founder of Molten Volleyball Camps. As the owner/director of Club Fusion and Wisconsin PoWer, King has prided himself in bringing top level training to athletes all over Illinois and Wisconsin. WHAT WE ARE ABOUT

MOLTEN

VOLLEYBALL CAMPS

WHAT TO EXPECT

Molten Volleyball Camps are designed to teach players the fundamentals of power volleyball. They are a great way for your team to bond and compete before the fall season begins, and for individuals to work on skills needed in that first try-out period of your high school season.

Molten Volleyball Camps will consist of individual skill instruction, training and practice drills as well as competition. The camp's goal is to meet the needs of each individual camper. Campers will be grouped based on skill level and/or age. The staff will not only focus on the fundamental skills of volleyball, they will also meet with your coach and present innovative ways to better the program as a whole.

Molten Volleyball Camps is a training and teaching camp for the athlete and coach. Each day will consist of skill instruction, drills and competition. Players will receive a t-shirt with their enrollment and daily incentives can be earned. The number of athletes will be limited, so early registration is recommended. Players of all levels are welcome. All campers are insured (Molten Volleyball Camps is a secondary provider).
